

DEMOCRAT BRANDON THOMAS CALLS ON REP. MIKE SPARKS TO DEMAND EXPULSION OF REP. DURHAM.

SMYRNA (July 14, 2016) -- Candidate for State House District 49 Brandon Thomas called on Rep. Mike Sparks to demand a special session to expel embattled Rep. Jeremy Durham.

“After the Attorney General’s report proved that Rep. Jeremy Durham sexually harassed young women and interns, the people of this district deserve to know where Representative Sparks stands. He has a simple choice, either Rep. Sparks stands with the almost two dozen victims of Rep. Durham’s sexual harassment and calls for a special session immediately to vote to expel Rep. Durham or he can follow the Republican leadership as they continue in their failure of leadership and refuse to hold Durham accountable for his disturbing and disgusting behavior.

The people deserve to know whether Rep. Sparks will continue putting politics ahead of people and if so, then it’s clearly time for new leadership in our district.”
